

Thanks for downloading my [Winter Writing Prompts](#).

There are two levels and 5 prompts. One for beginning writers that will be writing 1-2 sentences, and one for emerging and established writers that will write 3+ sentences. I hope you enjoy.

These writing prompts would be perfect for my leveled, differentiated journals that are full of color! The journals were created with the reluctant writer in mind and are designed to be inviting and spark excitement. My Words, My Way is a fantastic spelling companion resource book that pairs well with the journals or used on their own. There is one for everyone!
